**NJBIZ Honors the 2018 Best Places to Work in New Jersey!**

New Providence, NJ (May, 2018) For the eighth consecutive year Lassus Wherley has been named one of the Best Places to Work in New Jersey! This program is a celebration of jobs and the employers who provide them. The primary goal of the program is to help companies improve their workplace practices, which, in turn, helps them attract and retain the best employees, thus ensuring continued business success.

The Best Places to Work in New Jersey program is open to all publicly or privately held organizations and government entities, both for-profit and not-for-profit. To be eligible for consideration, companies must have a facility in New Jersey, be in business a minimum of one year and have at least 15 employees in the state.

After a company enters the program, it goes through a two-part survey process designed to pinpoint areas of strength and weakness. The assessment determines the eligibility for the Best Places to Work in New Jersey list. Best Companies Group manages the survey process and performs the evaluation of the collected data.

Three-fourths of each company's score comes from a confidential survey of employees that evaluates their workplace experience. The remaining quarter of each company's score consists of an employer survey that collects information about its benefits, policies and practices. The two assessments allow the experts at Best Companies Group to provide an in-depth analysis of the strengths of each company and opportunities that exist to build a better workplace.

The list of Best Places to Work in New Jersey program is broken down into three categories: 31 small companies with 15-49 employees, 37 medium companies with 50-249 employees and 32 large companies with 250 or more employees. Lassus Wherley has been named one of the Best Places to Work in New Jersey in the small category.

The winning companies were recognized and honored during the NJBIZ Best Places to Work in New Jersey awards reception and ceremony on Tuesday May 1, 2018 at iPlay America, Event Center in Freehold, NJ. The award program, created in 2005, was produced by NJBIZ in partnership with Garden State Council SHRM. The program was sponsored by Gibbons P.C., Atrium and Rymax Marketing Services.
